

# PAYMENT & WARRANTY

## **PAYMENT:**

Research Electronics accepts...

Visa  
Master Card  
Discover Card  
American Express  
Money Order  
Email Money Transfer

## **FTA RECEIVER WARRANTY:**

Receiver(s) had been purchased from Research Electronics with original manufacturer software and firmware.

Any unauthorized software or non-manufactures firmware uploaded to your receiver will automatically void the warranty of the receiver. The manufacturer does not support third party software.

All Free To Air receivers come with the latest Manufacture Firmware ready for FTA programming.

We are not responsible for receivers that have been modified.

Only Official software and upgrades available from the manufacturers can be used with free to air receivers.

FTA receivers with manufacturer's defect(s) must be returned directly to the manufacturer at one of the website addresses listed below.
